The Catalina women's cart bag from Datrek has a 10-inch, 14-way top with individual, full-length dividers; an external putter clip; front ball pocket and Velcro glove holder. Its pockets include two apparel pockets and a fleece-lined valuables pocket.

It has a rubberized handle and a weight of 5.5 pounds to help make lifting easier, and a cart strap sleeve for extra security as it rides on the back of the cart. The 420D polyester construction is weather- and tear-resistant.

The Datrek Catalina women's cart bag has a suggested price of \$139. It comes in multiple color combos, including /silver, purple/silver, lime green/silver, light blue/silver and black/silver.
